[1-2] Fold your **Bell Scarf** in the center, tie it in a knot. This will make your Scarf shorter (Depending on your size and height will determine whether your knot is closer to the folded end, or you may not need to knot your Scarf at all)

[3-4] Holding each end of your Scarf, place the Knot in the center of your back, bringing the two top ends of your Scarf together in front of you, slide your favorite Buckle on...
